

A way to help your local community!

Transfiguration in partnership with C-4 (Colesville Council for Community Congregations), located just north of Transfiguration, provides school supplies to C-4 Clients in August and September. To be most efficient in providing school supplies, we collect and provide funds to C-4 so that C-4 can purchase bulk quantities of needed supplies.

Your cash donations of any amount, as well as checks (made out to Transfiguration Parish with a note “C-4 School Supplies”) may be placed in the wooden collection box marked “**School Supplies**” in the parish hall and at the back of the church (narthex). You can also donate online at www.transfig.org.

Donations to C-4 are TAX DEDUCTIBLE.

Transfiguration will deliver the donations to C-4.
