## The Ground Hog Should Not Be Our Excuse

By Spencer Headings

This time of year - it is Ground Hog's Day!

The day that the ground hog holds his sway

"In a tiny hamlet in western Pennsylvania," the way

Bill Murray said it in the movie, Ground Hog's Day.

Does this season of uncertainty, of warmth and cold

Remind you of what is happening? You were told

"We need volunteers at the Thrift Shop!" A message getting old!

But when weather is bad our customers shop most bold.

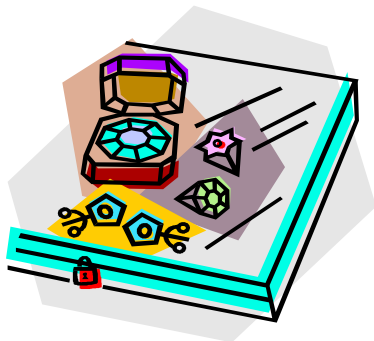

If the ground hog sees his shadow, tradition tells us,

It means six more weeks of winter, and for some of us,

Does this mean six more weeks of not coming by car or bus

To volunteer time and talent, and all that fuss?

**DON'T LET THE GROUND HOG KEEP YOU AWAY!**

## Featured Item of the Month

During the month of February, the Thrift Shop is selling a collection of new designer jewelry. This brand new designer jewelry is competitively priced. Stop in a take a look! You might find just the piece you're looking for in our new display case.
