

Samaritan Ministry's 2020 Next Step Breakfast

Mark your calendars! Samaritan Ministry's annual *Next Step* Breakfast at the National Press Club is set for Thursday, March 12, beginning at 7:30 a.m. The event is over promptly at 9 a.m.

This year's event highlights the essence of Samaritan Ministry: Participant Antoinette Green, whose life has been turned around since she first encountered Samaritan Ministry, will share her story. And, like so many who volunteer with the *Next Step* program, Gloria Ducker will share the impact of Samaritan Ministry on her life.

This high-energy and inspiring gathering is an opportunity for introducing new people to Samaritan Ministry, as they join hundreds of others who are already on the team as volunteers and supporters. The Breakfast is complimentary, and guests will be invited to make a contribution of their time, talent, and treasure to our shared mission.
