

Join us for a special evening with Daryl Davis, an award-winning musician and race relations expert who changes the world one relationship at a time.

Daryl Davis is an international recording artist, who has performed regularly with the greatest artists in the music industry. Daryl is also a lecturer, author, and race reconciler who has confronted racism at the most personal level for decades.

On Wednesday, March 8 at 7:00 pm, Daryl will join us at Transfiguration Church to share his experiences of dismantling racism and to offer a powerful call to action.

Daryl's impassioned presentations feature stories of dramatic encounters and amusing anecdotes. And they empower the audience to confront their own prejudices and overcome their fears.

We hope you will join us for this special event.
Daryl Davis is truly a prophetic voice,
for such a time as this.
