

Welcome to Kick-off Sunday! It is a time of new beginnings in so many ways. As we begin this new season of ministry, we invite you to consider the ways you sense God may be calling you—to share time and talent in different ways from financial stewardship.

We are committed to sharing God's love with even more people in this coming year and making a positive difference in the lives of the people in our community and beyond. We know that God is always about making things new — I am very excited about the places where God will lead us, places we will go together.

May God bless you and your loved ones in this stewardship season.

Faithfully,

The Rev Kent Marcoux, Rector
